A pause. "This," Diamond said. His voice was level. He looked neither at his father nor his mother. "We can't do anything without each other," he said. "But it's the greedy ones, the cruel ones who hold together and strengthen each other. And those who won't join them stand each alone." The image of Anieb as he had first seen her, a dying woman standing alone in the tower room, was always with him. "Real power goes to waste. Every wizard uses his arts against the others, serving the men of greed. What good can any art be used that way? It's wasted. It goes wrong, or it's thrown away. Like slaves' lives. Nobody can be free alone. Not even a mage. All of them working their magic in prison cells, to gain nothing. Then. It took him a long time to cross the cavern. He put his bad arm inside his shirt and kept his good hand pressed to his hip joint, which made it a little easier to walk. The walls narrowed gradually to a passage. Here the roof was much lower, just above his head. Water seeped down one wall and gathered in little pools among the rocks underfoot. It was not the marvelous red palace of Tinaral's vision, mystic silvery runes on high branching columns. It was only the earth, only dirt, rock, water. The air was cool and still. It's a difficult thing for a young man, very difficult -- a test of a will that has not yet been steeled, a mind that has not yet seen its true goal. I very strongly advise that you not take that risk. Write your parents, and go to the Great Port, or to Roke. Half your year's fee, which I'll return to you, will see to your first expenses.".. He went in by the garden door, which gives on the path through the fields to Roke Knoll. It is a curious thing about the Great House of Roke, that it has no portal or grand entryway at all. You can enter by what they call the back door, which, though it is made of horn and framed in dragons tooth and carved with the Thousand-Leaved Tree, looks like nothing at all from outside, as you come to it in a dingy street; or you can go in the garden door, plain oak with an iron bolt.
