"I am talking of the True Art," he said. "Now I will be frank with you. I advise you to write your parents -- I shall write them too -- informing them of your decision to go to the School on Roke, if that is what you decide; or to the Great Port, if the Mage Restive will take you on, as I think he will, with my recommendation. But I advise against visiting home. The entanglement of family, friends, and so on is precisely what you need to be free of. Now, and henceforth." "But on Roke, they learn to use power well, not for harm, not for gain." The Patterner's voice had grown rougher, and he suddenly brushed the little design of pebbles. the world, there are still women of the Hand. That net hasn't broken after so many years. How was sun. "She'll be all right," she said. "There's a gash, but if you'll wash it with warm salt water had been waiting for me. I saw her face now, the flow of sparks in the diamond disks that hid her. It seemed to him that it was not by his own act or decision that he had taken his own form, but that in touching this ground, this hill, he had become himself. A magic greater than his own prevailed here. "In the Inmost Sea, on the Isle of the Wise, on Roke Island, where all magery is taught, there are nine Masters," he began. He was still shaken, appalled, by the ease with which Gelluk had forced him to say his name, which gave the wizard immediate and ultimate power over him. Now he had no hope of resisting Gelluk in any way. That night he had been in utter despair. But then Anieb had come into his mind: come of her own will, by her own means. He could not summon her, could not even think of her, and would not have dared to do so, since Gelluk knew his name. But she came, even when he was with the wizard, not in apparition but as a presence in his mind. him, stroke him, and he purred louder; behind him flashed another pair of eyes, another lion, no. triple beat on his tabor, and they were off into a sailor's jig. but Irioth spoke.
