"Our souls are. title. Yet, restrained by the consistent teaching and practice of the school and the watchfulness. She nodded, with an anxious face.. "You have been a witch, Irian?" The Patterner never came to her much before noon, so she had the mornings free. She was used to solitude, but still she missed Rose and Daisy and Coney, and the chickens and the cows and ewes, and the rowdy, foolish dogs, and all the work she did at home trying to keep Old Iria together and put food on the table. So she worked away unhurriedly every morning till she saw the mage come out from the trees with his sunlight-coloured hair shining in the sunlight..and tossed it up in the air, and as he spoke it fluttered about their heads on delicate blue. the other sorcerer, even of the six coppers she had found scattered on the bedcover, which he must. "Shall we go?" he said to the cowboy, who set off at once with a wave to Gift and a snort from his little mare. The curer followed. The hinny had a smooth, long-legged walk, and her whiteness shone in the morning light. Gift thought it was like seeing a prince ride oft, like something out of a tale, the mounted figures that walked through bright mist across the vague dun of the winter fields, and faded into the light, and were gone..saw where Yaved was. The Doorkeeper waved his hand at it, and it avoided him. Irian swerved and ducked down frantically, but felt the cool fire tingle in her hair as it passed over her. The Doorkeeper looked round, and now his smile was wider. Though he said nothing, she felt he was aware of her, concerned for her. She stood up and followed him..and you...." She reached out her hands to him. They knelt facing, the willow-leaves moving across.It was their mage Ogion whom the people saw stand alone on the roof of the signal tower on the wharf, when the streets ran up and down in waves, the cobbles bursting out of them, and walls of clay brick puffed into dust, and the Armed Cliffs leaned together, groaning. It was Ogion they saw, his hands held out before him, straining, parting: and the cliffs parted with them, and stood straight, unmoved. The city shuddered and stood still. It was Ogion who stopped the earthquake. They saw it, they said it..Thirty years before, the pirate lords of Wathort had sent a fleet to conquer Roke, not for its wealth, which was little, but to break the power of its magery, which was reputed to be great. One of the wizards of Roke had betrayed the island to the crafty men of Wathort, lowering its spells of defense and warning. Once those were breached, the pirates took the island not by wizardries but by force and fire. Their great ships filled Thwil Bay, their hordes burned and looted, their slave takers carried off men, boys, young women. Little children and the old they slaughtered. They fired every house and field they came to. When they sailed away after a few days they left no village standing, the farmsteads in ruins or desolate..around the spring without falling in a sinkhole among the reeds. He put the eggs in.Knowledge of these places and powers was the heart of religion in the Kargad Realm. In the Archipelago, the lore of the Old Powers was still part of the profound, common basis of thought and reverence. On all the islands, the arts mostly practiced by witches, such as midwifery, healing, animal husbandry, dousing, mining and metallurgy, planting and growing spells, love spells, and so on, often invoked or drew upon the Old Powers. But the learned wizards of Roke had generally come to distrust the ancient practices and made no appeal to the "Powers of the Mother." Only in Paln did wizards combine the two practices, in the arcane, esoteric, and reputedly dangerous Pelnish Lore..The wind had come up again. They were both shivering, their teeth chattering.
