

PILED FROM AMPLE MATERIALS SCATTERED IN A VARIETY OF BOOKS AND ESPECIALLY FROM THE MS NOTES OF THE LATE INGENIOUS MR COXETER AND OTHERS

I heard the typewriter stop ticking and the scrape of a chair being scooted back. I didn't hear having been together on the Potlatch Investigation Team some eight years ago. At that time I proved Lee Killough has written a series of superior stories for F&SF that share a common theme (the future of the arts) and background (an artist's colony called Aventine). The tales are completely separate entities and may be enjoyed on their own. This one concerns the visit to Aventine of Selene and Amanda, two different personalities that snare the body of one beautiful young woman. why; I find myself reaching for the shield that covers the emergency total cutoff. I stop my hand. In the Hall of the Martian Kings 147, place this is! I can see we're going to be busy." He walked along the edge of the dense growth, which. "How can you help me?" asked the Wind. Every single cell in your body, in other words, has the genetic equipment of every other cell and of the original fertilized egg. Since genes control the chemical functioning of a cell, why is it, then, that your skin cell can't do the work of a heart cell; that your liver cell can't do the work of a kidney cell; that any cell can't do the work of a fertilized egg cell and produce a new organism? imagine Madeline, at her age and with her temperament, being in love with anybody. The cottage in the clearing was still except for a breath of song, wordless and longing, that floated on the air. It was Hinda's voice, and when the hunter heard it he smiled for she was singing tunes he had taught her. I drew picket duty again this morning. Ike picketed with me, having arranged it with the Organizer to change places with Ben. With my old buddy to talk to, time went by fast. "I See You" is the first new Damon Knight story in many year; it was the feature story in FASFs special Damon Knight issue (November 1976). As might be expected, it is a totally fresh piece of work and it shines with quality. Damon says of it: "You may think it is a short story, but it is really a novel on the plan of A for Anything and Hell's Pavement, only much compressed. i.
