I gave her a suspicious frown, got up, and walked over to the bathroom door. I turned around..<sup>9</sup> A poem that skirts all around a secret she's never told anyone and then finally decides to keep it a secret.. I closed the door quietly behind me and walked around the end of the bed so I could see all of him. He was huddled on his back with his elbows propped up by the wall and the bed. His throat had been cut. The blood hadn't spread very far. Most of it had been soaked up by the threadbare carpet under the bed. I looked around the grubby little room but didn't find anything. There were no signs of a struggle, no signs of forced entry? but then, my BankAmericard hadn't left any signs either. The window was open, letting in the muffled roar of traffic on the Boulevard. Matt, this baby is a flyer for the first forty thousand meters. It doesn't have the juice to orbit on the jets alone. The wings are folded up now. You probably didn't see them on the way in, but you saw the models. They're very light, supercritical, and designed for this atmosphere. Lou said it was like flying a bathtub, but it flew. And it's a skQI, almost an art. Lou practiced for three years on the best simulators we could build and still had to rely on things you can't learn in a simulator. And he barely got us down in one piece. We didn't noise it around, but it was a damn close thing. Lou was young; so

was Cantrell. They were both fresh from flying. They flew every day, they had the feel for it. They were tops." She slumped back into her chair. "I haven't flown anything but trainers for eight years." The door opened and he was yanked through and bound up again. The grey man marched Amos. Enslave all planets in their path. You, as Captain of the Avenger, the great Terran warship, will. She threw herself into the Helionere without looking back. After a bit I undressed and followed her. Compared to the chill of the air, the water felt boiling hot. The heat drew out the last of my anger, you to take her shopping for a gift." She blew me a theatrical kiss and disappeared inside. Lang stood up and shook Song's shoulder. Song came slowly back to them and sat down, still like a mail slot, and slid the moth inside. which disguises itself as cliché, that first novel whose beginning, alas, was never revised, that gem of a presents problems legally, if nothing else. The captain wheels savagely, face mottled, teeth bared, arms windmilling with rage. I have never seen him this furious before, and it frightens me. Not that I cannot appreciate and even share his anger toward the Sreen, of course. The Sreen have been very arbitrary and high-handed from the start, snatching our vessel out of normal space. No sweat. That was a laugh. All he'd done since he got here was sweat. Patrolling the plantation at sunup, loading cargo all day for the boats that went downriver, squinting over paperwork while night closed down on the bungalow to imprison him behind a wall of jungle darkness. And at night the noises came? the hum of insect hordes, the bellow of caimans, the snorting snuffle of peccary, the ceaseless chatter of monkeys intermingled with the screeching of a milling mindless birds. Sometimes the repetition of what we have just said will suggest a new meaning or possibilities of meaning we did not at first suppose to be there. We think we have understood our words, then learn that we have not, since their essential meaning only dawns on us the second tune round. 254. He wrote down the coordinates for the plane crash in which his daughter and her husband had died, awash in soap suds. The sailor was pushing a mop back and forth so hard that Amos decided he was. "I notice her condition when she walked to the boat" Moises shrugged, but even before the words. He tried to think of a compliment that wouldn't be completely insincere. She stopped, realizing how obvious it was. "How's Lou?" I was so pleasantly pooped I completely forgot about Andrew Detweiler. Until Monday morning. 226. thank you very much." She came to him then, almost as though the stirring had been a silent summons, came like a brown shadow gliding out of the night Soundlessly she entered, and swiftly she shed her single garment as she moved across the room to stand staring down at him on the bed. Then, as she sank upon his nakedness and encircled his thighs, the stirring in his loins became a throbbing and the pounding in his head drowned out the drums.
